User Guide

For Clearance Agencies

Front End (FIORI)

Clearance Process

Clearance Verifier

Main Ledger Unit

VERSION: 1.0

INTRODUCTION

This user guide acts as a reference for **Clearance Verifier (Front End User)** to manage **Clearance Process**. All company and individual names used in this user guide have been created for the purpose of guiding users on the use of the system.

Where possible; user guide developers have attempted to avoid using actual Companies and Individuals; any similarities are coincidental.

Changes and updates to the system may lead to updates to the user guide from time to time.

Should you have any questions or require additional assistance with the user guide materials, please contact the **SSM Help Desk**.

GLOSSARY

The following acronyms will be used frequently:

Term	Meaning

Process Overview

Verify/Rework/Reject Clearance Request

VERIFY / REWORK / REJECT CLEARANCE REQUEST	Front End User
	Clearance Verifier

Log into SAP FIORI (Front End) and proceed with the following steps.

- 1. Click on **RPG Clearance Verifier MLU**.
- 2. Click on **Clearance Verifier (Internal) Main Ledger Unit** tile.

Note: Clearance Certificate Internal Page will be displayed.

3. Select an application with status of **PENDING VERIFIED**.

4. In the first tab, user may **review all details in Section I: Employee Details and Section II: Clearance Details**, filled in previously by Clearance Checker.

5. In the second tab, user may **review documents attached by Clearance Checker**.

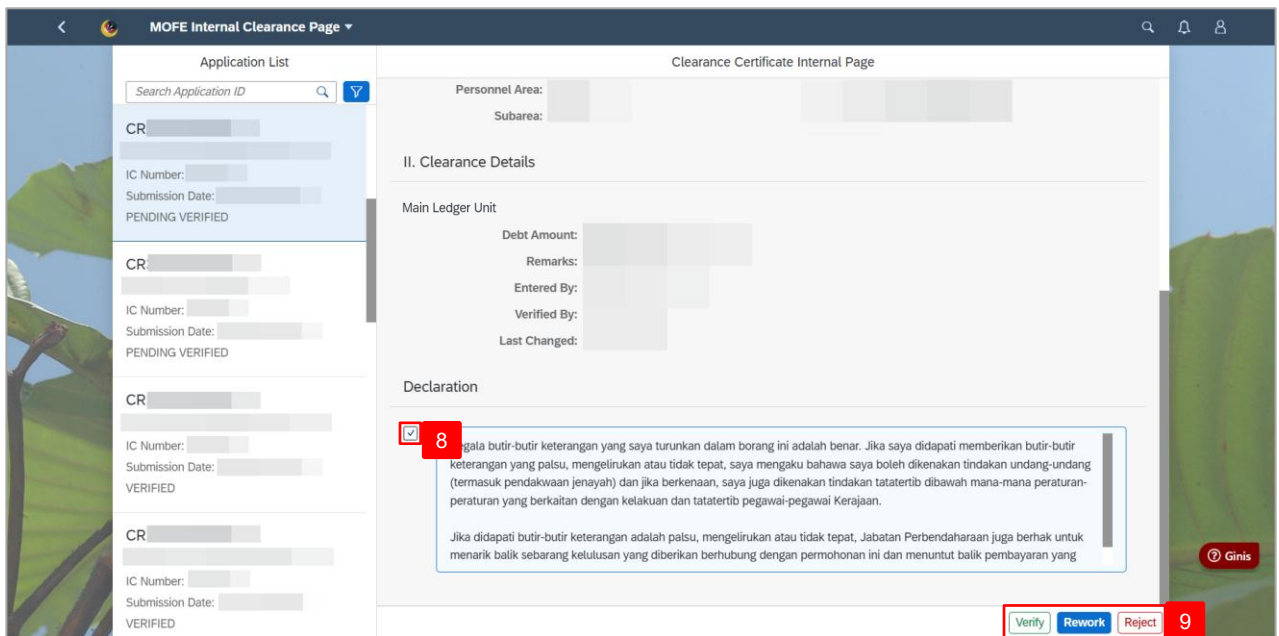

6. To view documents attached, click  .

7. In the third tab, user may **review the details of changes in status**.

8. Tick **Declaration** checkbox at the bottom of page in the first tab.
9. Depending on different scenarios, user may select:
 - **Verify** – verify application to complete clearance process.
 - **Rework** – rework application back to Clearance Checker.
 - **Reject** – reject application and complete clearance process.

The screenshot shows the 'MOFE Internal Clearance Page'. On the left is the 'Application List' with search and filter options. The main area is the 'Clearance Certificate Internal Page'. It includes fields for 'Personnel Area' and 'Subarea'. Below is the 'II. Clearance Details' section with 'Main Ledger Unit', 'Debt Amount', 'Remarks', 'Entered By', 'Verified By', and 'Last Changed'. The 'Declaration' section at the bottom has a checkbox (labeled 8) and a text box with a warning message. At the bottom right, there are three buttons: 'Verify' (labeled 9), 'Rework', and 'Reject'.

Note: Confirmation pop-up will be displayed.

10. Click **Verify / Rework / Reject**, depending on the different scenarios.

This screenshot shows the same 'MOFE Internal Clearance Page' but with a confirmation pop-up dialog box in the center. The dialog has a title 'Confirmation' and a message 'Are you sure you want to VERIFY the clearance assessment?'. It has two buttons: 'Verify' (labeled 10) and 'Cancel'. The background page is dimmed, showing the 'Application List' and 'Clearance Certificate Internal Page' details.

Outcome: Application has successfully been **Verified / Reworked / Rejected**.
